

BANKERS COME IN PALATIAL STYLE

Head of New York Delegation Opposes Asset Currency.

ON WAY TO SAN FRANCISCO

MEMBERS OF PARTY ENTER-TAINED BY LOCAL MEN.

Men representing many millions of dollars passed through Salt Lake yesterday in style befitting the wealth they typify. They were bankers on their way to attend the convention of the American Bankers' association at San Francisco.

In traveling palaces they came. The trains which bore them were the finest that could be obtained in the east without the manufacture of special equipment. The Chicago special passed through Friday. The Kansas-Missouri special, carrying 110 persons, passed through yesterday forenoon, giving the visitors several hours in the city.

The handsomest train of all, the New York special, arrived over the Rio Grande at 1:30 o'clock yesterday afternoon, and left at 4:30 o'clock last evening. This train, which was equipped by the New York Central and the Rock Island, drawing on the Pullman company, is made up of twelve cars. It includes seven of the thirty-five mahogany-finished compartment sleepers the Pullman company has turned out, two dining cars, a man's buffet and library car, a woman's observation car and a tourist sleeper for the thirty-five employees. Music is furnished during the meals, and in the evenings there are vaudeville entertainments.

Leaders in Finance.

The party is in charge of M. C. Roach of the New York Central and A. H. Moffat of the Rock Island, general managers of passenger agents of their roads. It includes Ellis H. Roberts, treasurer of the United States currency, Congressman C. A. Fugle of New York, Colonel James R. Branch, secretary of the American Bankers' association; G. S. Whitson, vice president of the New York National City bank of New York, and other men known as leaders in the world of finance. Congressman Fugle, who is president of the Western States National bank at Peckskill, N. Y., is chairman of the delegation.

"I know of no financial reform or revision of the present national financial system that is favored by the New York delegation," said he. "Of course these subjects will be discussed, but I have heard very little talk of them during our trip."

"For my own part, I am opposed to the asset currency scheme. I think it is unnecessary under present conditions, especially since the great increase in the supply of gold has expanded our currency so much in the last few years. More than that, I regard the experiment as dangerous. What action will be taken by the convention I cannot say."

"I wish to express for myself and the other members of our party our appreciation of the treatment we have received here and our favorable impression of Salt Lake. It has the appearance of being laid out on a broad scale, and it seems to have everything to make it a beautiful as well as a great city."

The members of both the parties arriving yesterday were taken in charge by representatives of the Salt Lake Clearing House association—W. S. McCormick, M. H. Walker and Colonel J. W. Donnellan. They were driven in carriages about the city and given special organ recitals at the tabernacle.

A daily paper, known as the New York Central Bankers' Special Bulletin, is issued on the train, being printed on a mimeograph. Members of the party comprise the staff. Here are a few of the items from one of the issues:

Items From Daily Paper.
"The Mutual Progressive Euchar company will hold its first meeting in Music hall No. 2 at 3 o'clock this afternoon. One of its members, a prominent banker, states it is expected dividends will be paid to the preferred stockholders."

"Dr. Roach announces the headquarters of the medical bureau, room 3, 3rd floor, where a full line of medicines are kept in stock. Prescriptions promptly filled. No charge for medicine or consultation."

"That famous globe trotter, Mr. J. B. Fishburne of Roanoke, reports that he recently visited the penitentiary at Columbus, O., where the institution contains 2,700 prisoners. On inquiry of the warden, Mr. Fishburne was informed these prisoners were mostly bankers."

"The following is given for solution by the brightest member of our party: 'Mary is 24 years. Mary is twice as old as Ann was when Mary was old as Ann is now. How old is Ann?'"

"To save the reader trouble in figuring this out, it might be stated that Ann is 18 years old."

"The Cleveland bankers' special will arrive over the Rio Grande at 7 a. m. today and leave at noon."

MAKE JUST ONE MORE TRIAL.

No Matter How Many Remedies You Have Tried, Here is One That Will Cure Your Piles.

If you are suffering from the pain and torture of piles and you have not cured, send 50 cents at the drugist's for one package of Pyramid Pile Cure and convince yourself beyond a doubt that it can be done. Then be sure and try it. You may have tried so many remedies that you feel that yours is a hopeless case. You may have become discouraged and suffered so long that it is almost second nature to you. It makes no difference how serious your case is, or how long you have had it, you will be cured by this.

Pyramid Pile Cure is in the form of suppositories, and reaching the seat of the trouble, gives instant relief. It does away with the torture, the pain, and the humiliation of examination and operation by the physician. It is administered by the sufferer himself in the privacy of the home. There is no need of its ever failing to cure the most severe, aggravated and long standing cases.

Mrs. R. T. U. Boylan, Marshall, Minn., writes: "I suffered awful torture for years from piles. I used Pyramid Pile Cure and was well in three days."

Amos Crocker, of Worcester, writes: "After going through a frightful surgical operation and after trying a number of salves and ointments, one 50 cent box of Pyramid Pile Cure gave me speedy relief and it quickly cured me."

James Kenton, Memphis, Tenn., says: "I suffered the torture of itching piles for years, and not even surgical treatment would relieve me. One 50 cent box of Pyramid Pile Cure cured me entirely."

Pyramid Pile Cure is for sale by all druggists, or will be sent upon receipt of price. 50 cents a package by Pyramid Drug Co., Marshall, Mich.

PARDON ASSURED FOR ROBERTSON

Be Granted at Next Meeting—Acts as Trusty Till Then.

TWO CONVICTS ARE RELEASED

CLEMENCY FOR MAXWELL AND SCHUCKERS EXPECTED.

Alexander A. Robertson, former teller of the Wells-Fargo bank, who is serving a four years' sentence in the Utah state penitentiary, for embezzlement, will be a free man a month from now if the state board of pardons carries out its present intention.

Gerrit H. M. Wells said last evening that he did not think he was violating any confidence or breach of board rules when he made the statement that the board, at its next meeting, would probably pass favorably upon the application for pardon which is to be filed by Robertson in the meantime.

At that same session applications for pardons from C. L. Maxwell and J. C. Schuckers will also be considered. Inasmuch as they played an important part in the recent "break" at the penitentiary, doing what they could to save the lives of the guards and prevent more prisoners from getting away, they, too, will probably receive clemency.

Case Briefly Considered.

The matter of pardoning Robertson, Maxwell and Harry Duke came up at the meeting of the board of pardons yesterday morning. At the request of Attorney Soren X. Christensen, consideration of Duke's case went over to the next meeting. Robertson and Maxwell appeared for Maxwell and E. M. Allison, Jr., for Robertson, at the same time filing their petitions. They advised the board that the cases had been filed in either instance, but suggested that the board, under the existing conditions at the penitentiary, might be in taking up the cases at that time.

The two attorneys pointed out very clearly that the lives of Robertson, Maxwell and Schuckers are not safe at the penitentiary, owing to the spirit of revenge which the other convicts were liable to display at any time, and attempt to kill any or all three of them for the part they played in the "break."

The members of the board said they did not wish to be understood as opposing any application for pardon which might be presented in behalf of the men, but thought it would be better to postpone the cases until the next meeting, pending the presentation of applications being filed in the meantime.

Robertson to Be Made Trusty.

At that meeting they will be taken up, so it was said, and passed upon in the regular way, the inference being given that the board would act as a reward for loyalty on the part of the three men, would be granted.

When the board went into executive session Acting Warden Wright was closely examined as to the probability of Robertson meeting with bodily violence if he remained in the penitentiary any longer. Wright admitted that threats had been made against all three men, especially Robertson, and there was no telling what might be done on the spur of the moment.

To him, one of two things was apparently necessary at this time—either place Robertson in solitary confinement where he would be comparatively safe from the threatened violence of the other convicts, or make him a trusty on the outside of the prison walls. In the latter event he would be given an escort to his cell at night.

After talking the matter over, Governor Wells made the suggestion, which was concurred in by the other members of the board, that Robertson be made a trusty during the next month, and that other precautions be taken relative to Maxwell and Schuckers.

Board Grants Two Pardons.

At the meeting of the board yesterday two pardons were granted. One commutation was favorably acted upon, three pardons were denied and ten petitions were continued for a month. The pardons granted were as follows: Jacob Ellis, sent up from Logan on April 11, 1903, for one year for grand larceny. Henry Bowen, sent up from Richfield on June 23, 1903, for one year for grand larceny.

John Jones of this city was the man who got the commutation of sentence. Judge Charles W. Morse gave him four years for robbery on Aug. 25, 1902. His sentence was commuted to eighteen months, which means his liberty next August. He pleaded guilty to Judge Morse and District Attorney Dennis C. Elchorn both signed the petition for a cutting down of sentence.

The following applications for pardon were denied: Vedo Del Vecchio, six years, attempted assault; Arthur Curtis, burglary, Salt Lake City; James Hendrickson, assault, eight months; E. C. Draper, robbery, four years.

"Break" Investigation Goes On.

The following cases were continued for one month: Otto D. Fauser, Salt Lake City, assault; Joseph Bridge, Salt Lake City, assault; Albert Clark, Salt Lake City, receiving stolen property; Paul Williams, Healdsburg, Cal., burglary; Henry Wright, Provo, robbery; Henry Wright, Salt Lake City, grand larceny and burglary.

The investigation of the recent "break" at the penitentiary was continued yesterday afternoon by the state board of corrections. The following guards were examined: Ed Haney, Fisher, Driggs, Schulte and Frank Taylor, as were also Convicts Majors, Powers and Heatt.

Governor Wells stated last evening that the examination elicited nothing new from what has already been published in the papers. The board will continue the "break" will be forthcoming from the board some day this week.

SALT LAKE ROAD IS TO BRANCH OUT

Proposed to Build a Line Into Deep Creek Region.

WILL COST ABOUT \$3,000,000

STOCKHOLDERS ARE TO MEET TO CHANGE INCORPORATION.

A meeting of the stockholders of the Salt Lake & Los Angeles road has been called for Nov. 10 to discuss a change in the articles of incorporation permitting an extension from the present terminus to Deep Creek. The officials of the road are reticent as to the real meaning of this step, but it is surmised that the Salt Lake road may eventually become a part of the Western Pacific, and that this is the initial move in that direction.

The Salt Lake & Los Angeles road has a valuable right of way in the city along West South Temple street, which would give the Western Pacific the road to the west to Fourth West street, and a connection with the Rio Grande tracks. It would also approach the proposed union passenger station of the San Pedro and Oregon Short Line or to the proposed Rio Grande station. As the Western Pacific and the Rio Grande are understood to be under the same control, the latter device would naturally be the objective point.

Will Expend About \$3,000,000.

"No definite step has been taken beside calling a meeting of the stockholders to amend the articles of incorporation, but the matter is being actively considered. It is proposed, however, to extend the road to the heart of the Deep Creek region, and to begin work promptly. The estimated cost is about \$3,000,000."

"A special meeting of the stockholders of the Salt Lake & Los Angeles Railway company will be held at No. 6 East South Temple street, Salt Lake City, Utah, at 10 o'clock a. m. on Tuesday, the 10th day of November, A. D. 1903, for the purpose of considering the proposition to amend article V of the articles of incorporation of said company to read as follows:

"Article V.—The corporation is organized for the purpose of acquiring, owning, operating and maintaining a line of railway commencing in Salt Lake City, Utah, and thence in a southerly and westerly direction, by the most feasible and practicable route, to a point at or near township eight (8) south, range nineteen (19) west of the Salt Lake meridian. The length of the proposed railway being, as near as may be, 15 miles, and within the counties of Salt Lake and Tooele, state of Utah."

"By order of the board of directors. WILLIAM M. McILAN, Secretary. "Dated Oct. 16, 1903."

LOCAL BRIEFS.

MISTAKE IN NAME.—The man who died at the police station Friday by the name of Devlin is no relation of J. P. Devlin, who is connected with the Rocky Mountain Bell Telephone company.

EXPANSION WORK STOPPED.—Work on the Sandy extension of the street car line has come to a sudden stop. During the past week or two a large construction gang has been at work upon it, but they have been taken off, and further work is practically abandoned for the time being.

BANK CLEARINGS.—Salt Lake bank clearings yesterday were \$23,231.46, compared with \$20,475.23 for the corresponding day of last year. Clearings for the week were \$175,321.23, compared with \$168,436 for the same week of last year.

DIRECTORS MEET WEDNESDAY.—A special session of the board of directors of the Louisiana Purchase expedition will be held in Governor H. M. Wells' office Wednesday morning at 10 o'clock. At that time the day's work of the state will be present and discuss the character of their display.

ENJOYABLE RECEPTION.—The members of the French Speaking club were entertained Friday evening at the residence of Attorney D. R. Richards and wife on the Cannon farm. At the reception only French can be spoken, a fine was being imposed for every English word uttered.

MISSIONARY UNION MEETING.—The semi-annual meeting of the Women's Missionary union will be held Thursday, Oct. 22, at the First Presbyterian church, when officers for the ensuing year will be elected. Mrs. G. McNiece, the president, is expected to be present and preside. At noon luncheon will be served in the church.

CRUSHED BY FALLING POLE.—Arthur Humbert of Corning, Ia., a lineman of the Rocky Mountain Bell Telephone company, was caught beneath a falling telephone pole yesterday and seriously hurt. The pole fell across the man's hips and broke a number of bones. Humbert was immediately taken to St. Mark's hospital. His injuries may make him a cripple for life.

CRUSHED BY FALLING COAL.—Joseph Zangher, an Austrian working in the mines at Scofield, was killed by a mass of falling coal Friday and almost killed before rescued from the debris. He is at St. Mark's hospital in a serious condition. The bones of the pelvis region are badly crushed. The physicians think that there is little hope of his recovery.

STONE FUNERAL TODAY.—The funeral of Mrs. J. M. Stone, who died at the Holy Cross hospital from the effects of a dose of carbolic acid, will be held this afternoon at 3 o'clock from Taylor's undertaking rooms. Rev. Dr. Haney will officiate. The burial arrangements are in accordance with a message from the deceased woman's mother. The interment will be in the city cemetery.

LECTURE ON SOLAR SYSTEM.—Professor W. W. Campbell, managing director of the Lick observatory, and one of the faculty of the Stanford university, will deliver a lecture Tuesday evening at the university on the subject "The Motion of the Solar System Through Space." The lecture will be illustrated with stereoscopic views. Professor Campbell was a college classmate of Attorney C. H. Kimsey, and he and Mrs. Campbell will be guests at the Kimsey home during their stay in the city.

DEMOCRATS HOPEFUL

Candidates and City Committee Hold Meeting and Discuss the Situation.

"The ticket can win, and must win."

This was the consensus of opinion at a meeting of the Democratic city committee with the candidates in the office of Morris Sommer, in the Eagle block, last evening. There was a full attendance of the committee, as well as of the candidates. Judge W. H. Kling and other prominent Democrats were also present to give their counsel.

The situation was discussed thoroughly. It was pointed out by the committeemen and the men who were called in to give their views that the ticket was of a character to command the full Democratic strength and the support of a large portion of the Republicans, as well as the independent voters who cast their ballots for the men they believe are best.

The factional fight in the Republican ranks, the belief was expressed that large numbers of Republicans, without urging, would support the Democratic ticket, rather than vote for men of the character of some of the Republican nominees.

No definite conclusions were reached as to the plan of campaign. This will be further discussed at another meeting. The action of a chairman and secretary was left open until the next meeting. A strong sentiment developed last evening in favor of J. Leary for chairman.

The next registration day is Tuesday, Oct. 27. All persons who have moved since last election should register in the district where they now reside.

John Gallacher has been put on the Democratic councilman ticket in the First precinct for the long term, in place of Adam Spiers, who declined to serve. Mrs. R. N. Sedgwick, Second North, is committee, under the authority conferred on her by the convention. A. B. Sawyer, Second North, is secretary.

All the tickets nominated by the different parties were filed with the city recorder yesterday.

FUNERAL NOTICES.

The funeral of Mrs. Naegest, who died suddenly Thursday afternoon of brain trouble at 31 West Third North street, has been postponed until Monday at 3 p. m. on account of her mother being on the way from the east, and will not arrive until Monday morning.
